**911 Brotherhood Crusade Family needs help!!!!**

Dear Brotherhood Crusade Families;

The Brotherhood Crusade Youth Sports League is writing this letter to ask for your help. We have a family in our program that needs our help. She is a hardworking, single parent with children and they are being evicted from their current residence, and they must move immediately.

She has located another residence but needs first month and a security deposit to relocate within the next three days. At the current time she is lacking in funds, not for lack of effort, but her current job situation is minimal and she is making sure that her children are provided for. I would normally not ask for assistance, but this family has always been a part of the league and has helped our program whenever asked and therefore, I am asking for your help for them.

I know we have many parents in the league have asked how can they help and/or volunteer. Well I need your help. I am starting the **“Helping hand program”** for this parent/family. We will accept any form of donation cash or check in any denomination to help relocate. Any amount will be greatly appreciated and **100% of all the funds** received will go directly to the family to keep them off the streets.

I understand times are hard for everyone and for this single parent family it is as well. They never would ask for help but I am asking for them. I know what is like to be on the verge of losing your home or going without and our program would like to do everything possible to make sure this parent can continue providing a loving home for her children.

We will accept anything you can afford, \$5, \$10 or \$15 whatever you can donate. Here's how can you donate, check our website [www.bhcsports.org](http://www.bhcsports.org), call the office 626-797-5673 and set up a pick up/drop off with Victor, or through paypal.

Sincerely,

*Victor McClinton*
